

Binary distributions

RedHat / CentOs

Soji Ikeda built Sympa RPM packages for [Red Hat EL / CentOS](#)

You are strongly invited to configure the relevant repository for your OS version in order to have an easy update of your Sympa version:

- [RHEL 5](#)
- [RHEL 6](#)
- [RHEL 7](#)

Mageia

Sympa is included in the Mageia distribution:

- <https://madb.mageia.org/package/show/application/0/name/sympa>

Debian

Sympa is included in Debian distributions. Debian package is maintained by Emmanuel Bouthenot, Stefan Hornburg and Jean-Charles Delepine :

- <http://packages.debian.org/sympa>

FreeBSD

FreeBSD port, Geoffroy Desvernay :

- <http://www.freshports.org/mail/sympa/>

Packagers mailing list

We created a list dedicated to discussions regarding Sympa packaging. You can find it and subscribe here: [sympa-packagers](#)
