Technical support

Sympa authors can't answer to any assistance request. Please check available ressources:

1. reference manual.
2. faq
3. mailing lists: Of course, there are also a few
   http://listes.cru.fr/wws/lists/informatique/sympa mailing lists about Sympa. Please do not report any trouble in lists without having first a look in lists archives. If you contact some mailing list please check first Sympa and other useful logs such as Apache, LDAP, MySQL or sendmail.
